[14:15] <fluttershy1970> the lack of ewoks is disturbing
[14:15] <jannedaarc135> the ewoks have went instinct it seems
[14:15] <butter__my__bread> this is when Star Wars starts to lose me. Jedi was my least favorite of the originals
[14:15] <bionich00t> Did Phil see the downboats on leddit?

[14:15] <bionich00t> epic
[14:16] <darthradovanviking> return of the jedi you mean?
[14:16] <cnkxx> please someone explain that AI to me.
[14:16] <butter__my__bread> yessir!
[14:16] <clutchman1973> I see they just ripped the AI straight from the last games skirmish mode,pathetic!
[14:16] <cnkxx> what difficulty is this
[14:16] <encelor> 20/20 aim LUL
[14:16] <kushuluck> Wow AI just stands there lol
[14:16] <bionich00t> Empire > New Hope > Revenge of the Sith > Force Awakens > Return > Attack of the Clones > Phantom Menace
[14:16] <nasklaf> ...blaming the gun?
[14:16] <conky89> Jedi is what I call the "third entry slump" which means when the third entry in a trilogy is the weakest one
[14:16] <jannedaarc135> I like how the AI just stand out in the open
[14:16] <bethemadeagle> butter my bread return of the jedi is my second fave stars wars film out of the whole franchise
[14:17] <bethemadeagle> my first fave is empire strikes back
[14:17] <cnkxx> even bethesda AI at least tries to go to cover...
[14:17] <jannedaarc135> I liked RoJ too.
[14:17] <bethemadeagle> then new hope
[14:17] <marty13612> which one is return of the jedi
[14:17] <bethemadeagle> new hope is 3rd best i mean
[14:17] <bethemadeagle> episode 6
[14:17] <12_btw_hahaha> LUL cloth hat blocks a lethal blaster bolt
[14:17] <bionich00t> RotJ is okay, but Ewoks suck, the ending is weak, and the story is dumb. Even Revenge and TFA are better.
[14:17] <fluttershy1970> empire strikes is back is the best of the trilogy
[14:17] <bethemadeagle> bionic i disagree
[14:17] <darthradovanviking> agreed @fluttershy1970
[14:17] <deepdrive3254> Yup empire is best movie
[14:17] <conky89> Empire is still the best Star Wars movie overall
[14:17] <marty13612> what is 3's subtitle
[14:17] <jannedaarc135> I agree empire strikes back is the best but RotJ is up there for me
[14:18] <butter__my__bread> id go Empire, A New Hope, Revenge of the Sith, Return of the Jedi, Phantom Menace, Force Awakens, Atk of the Clones
[14:18] <bethemadeagle> fluttershy i agree
[14:18] <bionich00t> I still like Return, mostly for the beginning with Jabba
[14:18] <bionich00t> He is the best part by far
[14:18] <deepdrive3254> But leia kissing Luke is great :D
[14:18] <encelor> wincest
[14:18] <butter__my__bread> Return and Menace are a toss up for me
[14:18] <bionich00t> Menace LUL

[14:18] <butter__my__bread> i really dont like Return heh
[14:18] <marty13612> true
[14:18] <bionich00t> Return is okay, but I like Revenge more

[14:19] <tomahawkings> Gold. Bikini.
[14:19] <encelor> jar jar screwed the empire

[14:19] <theycallmejimbob> dspShock
[14:19] <doctorzzz> well sidous all planed this
[14:19] <conky89> perfect timing
[14:19] <bionich00t> Phantom Menace was defended a little up until Mike Stoklasa released his infamous 2 hour long review of it
[14:19] <doctorzzz> to clones n shit
[14:19] <fluttershy1970> nani
[14:19] <bionich00t> Then no one really could defend it anymore
[14:19] <bionich00t> Revenge of the Sith is good though, but episode 1 and 2 suck
[14:19] <marty13612> did sidious fund the droids?
[14:19] <nightbot> coralguy just tipped \$5.45
[14:19] <encelor> jar jar gave the council powa to palpatine
[14:20] <iconicmaster1> Story time then crash

[14:20] <sprank_n> @Bionich00t i had a toke of weed today
[14:20] <doctorzzz> ofc sidious contolled the federation
[14:20] <jannedaarc135> revenge of the sith was okay. the last part with darth vadar still makes me cringe
[14:20] <bethemadeagle> empire strikes back, return of the jedi, new hope, force awakens, revenge of the sith, attack of the clones, episode 1 and then rogue one is my order of fave star wars movies
[14:20] <trihard4liife> @theycallmejimbob ayy we silver naw TriHard

[14:21] <deepdrive3254> Lol phil ðŸ~,
[14:21] <nasklaf> Nothing he could do.
[14:21] <conky89> RLM is great. Although one thing about Mike Stoklasa is that contrary to popular belief, he is actually a much bigger fan of star trek than star wars
[14:21] <bionich00t> Is this game suck?
[14:21] <bethemadeagle> deep usually the second movie is better than the first and the 3rd tends to be just as good
[14:21] <jannedaarc135> cheer100 What was your favorite Star Wars movie, Phil?
[14:21] <fluttershy1970> at least boba fett was in the christmas special
[14:21] <bethemadeagle> anyway 2nd death jim
[14:21] <leewanner> I clipped that hilarious moment from phil's stream just now... any mods want it?
[14:22] <bionich00t> There's just a lot more of Star Trek to be a fan of than Wars @ Mike Stoklasa. Star Trek has tons of series, movies, and so on. Star Wars had only 2 trilogies.
[14:22] <coralguy> Rogue one for the win
[14:22] <bionich00t> Phil strikes me as a Phantom Menace fan
[14:22] <encelor> the one with jar jar is best LUL

[14:22] <fluttershy1970> but if want a good laugh star wars christmas special is still on youtube i think
[14:22] <pl4guet4stic> @Bionich00t It's a crime to forget about both Clone wars shows
[14:22] <bethemadeagle> multiplayer seems too chaos like and this campaign is shit but i expected that
[14:22] <bethemadeagle> glad i didnt buy this
[14:22] <butter_my_bread> All three prequels have Jar Jar but they shafted him on screen time after the first
[14:23] <nazgorg> pew pew pew pew
[14:23] <bionich00t> @PL4GUET4STIC Never saw those but everyone says they're the best part of the prequels. The other good part is Palpatine. I doubt Snoke can live up to the Emperor as a villain.
[14:23] <bethemadeagle> it does begin jim
[14:23] <butter_my_bread> actually i dont recall seeing him in Sith now that i think about it
[14:23] <trihard4life> shoot em up? cmonBruh

[14:24] <paddingtonbear187> CcreamAwk
[14:24] <pl4guet4stic> @Bionich00t They're really good in my opinion, they really dive into the politics of the world in Star Wars. Which I personally love.
[14:24] <encelor> jar jar was kissing palpatine ass then somehow convinced the council to give palpatine full powa
[14:24] <encelor> s1lverWat

[16:14] <doctorzzz> the shuffle
[16:14] <1tonhammer> Nice sneak shuffle
[16:15] <bos2161> KOTOR in this engine would be Kreygasm
[16:15] <sam_scratch2> campaign sucks
[16:16] <dark_hunter_116> I'm surprised i haven't been banned yet
[16:16] <bestcompilationofficial> you're not dark enough
[16:16] <blue_blur64> Want me to change that? Kappa
[16:16] <dark_hunter_116> Lol
[16:16] <darthradovanviking> can't have surprises
[16:16] <thatanonybear> wrestleBanana
[16:16] <sam_scratch2> you actually banned him?
[16:17] <blue_blur64> THAT WASN'T ME DansGame
[16:17] <thatanonybear> @sam_scratch2 banana'd him

[16:17] <darthradovanviking> as a joke
[16:17] <sam_scratch2> oh good one i gues....
[16:17] <mjl1986> Oh hell no...
[16:17] <doctorzzz> maz be like
[16:18] <doctorzzz> LOOOL
[16:18] <dark_hunter_116> I am still waiting
[16:18] <temoblanks> So they just created a story in the multiplayer maps? They did they even create single player only environments?
[16:18] <doctorzzz> RAM SOLO

[16:18] <blue_blur64> Uh Phil, I think this was supposed to be a stealth mission xD
[16:18] <thatanonybear> @TemoBlanks for the most part, yep
[16:19] <wouldyoulikesomeballz> 77%? more like 15% tops
[16:19] <blue_blur64> Oh, well nvm
[16:19] <temoblanks> At least it's something
[16:19] <dark_hunter_116> Keep playing on easy
[16:19] <bestcompilationofficial> I thought you got banned
[16:20] <doctorzzz> LOL
[16:20] <blue_blur64> Why does that guy's voice sound familiar?
[16:20] <uf08mycat00> Re-use MP maps/assets, add a "story" and call it a "campaign" yes well done DICE....
[16:20] <dark_hunter_116> Nope
[16:20] <thatanonybear> LUL
[16:20] <darthradoanviking> han "stealth" solo
[16:20] <doctorzzz> Grill tropper
[16:20] <thatanonybear> storm troopers casually walking into headshots
[16:21] <blue_blur64> Ok, I was right that this is sposed to be a stealth mission xD
[16:21] <dark_hunter_116> I am still here
[16:21] <bestcompilationofficial> I don't know what it is but I'm not that interested in games like I used to be.
Maybe they all feel to similar now
[16:21] <blue_blur64> Well you were banned dark, just as a joke
[16:21] <thatanonybear> @bestcompilationofficial Try a new style, like NITW
[16:21] <chairmancaleb> @bestcompilationofficial It could either be us getting older or games getting shittier.
Or both.
[16:21] <dark_hunter_116> Oh xD
[16:21] <uf08mycat00> Big part of it is because game quality is decreasing
[16:21] <blue_blur64> Wait, you didn't even notice? brownLUL
[16:22] <xeranarth> This SWTOR update sure did great things for that aging game. dspHm
[16:22] <rusty_bones> Han not so solo kinggBANANAPPL
[16:22] <bestcompilationofficial> @ChairmanCaleb: Probably a bit of both
[16:22] <blue_blur64> @uf08mycat00 Well good news is that the best games out this year are single player
games, although the majority of them are open world ones
[16:22] <dark_hunter_116> This is how you don't play battlefront 2
[16:22] <thatanonybear> this is how you don't troll stream chat
[16:22] <uf08mycat00> True
[16:23] <chairmancaleb> @bestcompilationofficial I feel the same as well. Don't play that many games these
days.
[16:23] <bos2161> The troopers really just ought to take their armor off at this point. It'd be more comfortable,
would improve their vision and agility too. Throughout all of Star Wars the armor hasn't ever done shit lol
[16:23] <suckasurprise> @bestcompilationofficial If you're around my age it might have something to do with
how expensive games are now, when I was in junior high and high school I could just rent the newest games at
blockbuster for 6 bucks and finish the game over the weekend. I play a lot less games now because I can't shell
out 100 bucks everytime something new comes out
[16:23] <kittyspank> arr im a pirate
[16:23] <blue_blur64> Like, the top 10 games on Metacritic are better than the best multiplayer/lootbox game
[16:23] <dark_hunter_116> I not a troll i just have some free time
[16:23] <darthradoanviking> he was unlucky. aww
[16:23] <bestcompilationofficial> oh yeah I miss the smell of blockbuster, dem memories
[16:23] <blue_blur64> *game with lootboxes/microtransactions I mean
[16:24] <bestcompilationofficial> had such a distinct smell and an emotional reaction to that smell lol
[16:24] <blue_blur64> I saw the picture earlier today
[16:24] <darthradoanviking> oh i forgot trolls are professionals that get payed @Dark_hunter_116
[16:24] <thebigjeffproductions> dspFun

[16:24] <bos2161> Blockbuster, good times
[16:24] <suckasurprise> yeah I remember the blockbuster smell too lol
[16:24] <myfellowjohnson> who is doing voice acting for Solo?
[16:24] <blue_blur64> I can look
[16:24] <thatanonybear> George Harrison
[16:24] <dark_hunter_116> Correct
[16:24] <darthradovanviking> luke skywalrker @MyFellowJohnson
[16:24] <kushiyakitori> Seth Green
[16:24] <skillz08> hey stream question. i know both suck but my building only allows us to use comcast or rcn. which one should i get for internet?
[16:24] <dark_hunter_116> Bingo
[16:24] <bos2161> so true. just thinking about Blockbuster smell makes me nostalgic lol
[16:25] <myfellowjohnson> i thought Ford was done with this role
[16:25] <bestcompilationofficial> Every time you smelled it it was like "Time for a new adventure, Oh Boy!"
[16:25] <myfellowjohnson> they didn't put much effort into the SP campaign did they....
[16:25] <blue_blur64> Han Solo is voiced by John Armstrong in this game
[16:26] <thatanonybear> did the original Battlefronts have SP campaigns?
[16:26] <xkeysx97> I recently got paid off at my job phil Iâ€™m currently unemployed for the time being I now know how you feel phil when you got laid off away back years ago now
[16:26] <darthradovanviking> john armstrong never heard of him
[16:26] <kushiyakitori> @ThatAnonyBear yes
[16:26] <blue_blur64> <http://www.behindthevoiceactors.com/John-Armstrong/>
[16:26] <thatanonybear> why would you give a Wookie a headset in a war??
[16:26] <blue_blur64> Sorry to hear that @xkeysx97
[16:26] <bestcompilationofficial> @xkeysx97: Don't worry man you'll find a new job soon
[16:26] <thatanonybear> "Chewbacca, they're storming our flank, do you copy??" "ARRGRHRGHRGHR"
[16:26] <kovorus> new mods?
[16:27] <doctorzzz> that trooper wanted to do the phil
[16:27] <darthradovanviking> he seem to just do harrison ford haha
[16:27] <blue_blur64> Oh, John's only voice acting was pretty much Solo xD
[16:27] <roxasrules> :100:
[16:27] <xkeysx97> Thanks blue blur 64 plenty more jobs out there Iâ€™m sure il sort something out
[16:28] <doctorzzz> damn this section is lame and boring
[16:28] <doctorzzz> fuck me
[16:28] <blue_blur64> no thanks Kappa
[16:28] <doctorzzz> why not
[16:28] <bestcompilationofficial> I don't know this gameplay just feels really repetitive, maybe it's just me
[16:28] <kittyspank> the characters in the game didnt even wanna play
[16:28] <blue_blur64> Well it's No Nut November, haven't you heard?
[16:28] <blue_blur64> Wait, Maz's voice sounds so familiar too O_o
[16:29] <doctorzzz> since wehne is no shave november no nut november
[16:29] <bestcompilationofficial> No Nut November? LOL I wouldn't make it to the 2nd of November
[16:29] <blue_blur64> Since now
[16:29] <doctorzzz> when did that chnage
[16:29] <bos2161> It's the Falcon PogChamp
[16:29] <rlcool> dspFacepalm
[16:29] <blue_blur64> Well there's also apparently Dick Destroyer December :P
[16:29] <jo_bolt> Still using Wii controller?
[16:29] <thiemontime> wtf you doing hahaha
[16:30] <xkeysx97> All those ufo sightings all over the world turns out it was the millennium falcon and Han Solo hahahahaha
[16:30] <thatanonybear> I prefer Blow Jobs January, your girl gotta put out every day

[16:30] <bestcompilationofficial> What a poorly designed ship. It's very anti-aerodynamic

[16:30] <bos2161> anal February

[16:30] <thatanonybear> Anal April :P

[16:30] <darthradovanviking> you will not have permission to borrow my millenium falcon phil

[16:30] <thiemontime> are you okay?

[16:31] <kittyspank> gay may is my fave

[16:31] <thatanonybear> oh shoes, phil

[16:31] <blue_blur64> Ok, this is hilarious. I looked up Maz's VA, and she did like 20 characters for the new Scooby Doo show brownLUL

[16:31] <suckasurprise> Put your flying glasses on Phil

[16:31] <sam_scratch2> should've gone to spec savers

[16:31] <bestcompilationofficial> lol gay may. Switch your sexuality for cancer awareness everyone

[16:31] <bos2161> It's a big girl Phil. Gotta give her a wide berth

[16:31] <britishgamingblack> cheer10 the millennium falcon handles like a shopping cart

[16:31] <darthradovanviking> you don't crash

[16:32] <darthradovanviking> shoot the fng guns first

[16:32] <kovorus> do a barrel roll

[16:32] <thatanonybear> a bold "fly in a straight line towards the target" strategy

[16:32] <bestcompilationofficial> @Kovorus: He's just trying to scrape by the mission. You think he's gonna do a barrel roll?

[16:32] <thatanonybear> straight from Catch-22

[16:32] <fluttershy1970> phill han solo hates this game so much he killing himself

[16:32] <myfellowjohnson> DICE has really dropped the ball, used to be pride of sweden. Now the guys behind amnesia/Soma picked that ball up

[16:33] <blacksunblood> do a jheri curl

[16:33] <kovorus> he did

[16:33] <brownbearking90> tHESE WANNABE STAR FOX PILOTS

[16:33] <nightbot> Brownbearking90 -> Please do not abuse capital letters, thank you. [warning]

[16:33] <bestcompilationofficial> This reminds me of that mission in cod black ops 2

[16:33] <bestcompilationofficial> where you fly the jet in the Madam president mission

[16:33] <bos2161> Second Amnesia was pretty shitty imo lol

[16:33] <thatanonybear> this reminds me of an aneurysm

[16:34] <bos2161> First is a gem though

[16:34] <thefury1> cheer20 Would you consider making youtube videos of your compilations of best/ funniest moments per game or playthrough because I would really want to see that

[16:34] <myfellowjohnson> they didnt make the second one

[16:34] <fluttershy1970> nice shot don't get ccky

[16:34] <ricosroughnecks0> There is a theory that the main character in this game is Reys mom

[16:34] <wouldyoulikesomeballz> @thefury1 RlyTho
[16:34] <bos2161> Did too lol.
[16:34] <thatanonybear> i thought the main character in this game was the lootbox
[16:34] <bos2161> Machine for pigs or something
[16:35] <bestcompilationofficial> @ThatAnonyBear wouldn't put it past them LOL
[16:35] <xkeysx97> In my opinion all these new games that come out just don't give you that fun feeling that you used to get off of all the old games for 360 ps2 etc games just went downhill since the next gen console came only thing good going for them now are the graphics
[16:35] <myfellowjohnson> they keep raping the storyline
[16:35] <encelor> i am back
[16:35] <yorkbork> Really liked this moment <https://clips.twitch.tv/TangentialAverageDurianHeyGirl>
[16:35] <therealandy1> stars wars after the original trilogy LUL
[16:35] <encelor> aliens?
[16:35] <ricosroughnecks0> Because no one uses the forums lol
[16:36] <kittyspank> theres lots of funny moments vids of him out there :)
[16:36] <encelor> spacewhales?
[16:36] <darthseverussnow> Does Phil only respond to people that give him money?
[16:36] <darthradovanviking> there have been some funny clips. I don't know how easy they are to compile though cheer100
[16:36] <paddingtonbear187> InuyoFace
[16:36] <encelor> silverWat
[16:36] <thiemontime> @DarthSeverusSnow Basically yes
[16:36] <sam_scratch2> forums are deader than ko gaming @DarksydePhil
[16:36] <myfellowjohnson> tbh ep 1-3 were fine. they introduced a lot of politics and shit which I appreciate
[16:36] <blue_blur64> Ok, I was scrolling through her work (she did so much stuff, god damn) and found that Maz's VA was the voice of Carmelita in Sly Cooper: Thieves in Time. I knew I heard that voice from somewhere!
[16:36] <thatanonybear> cheer10 i think since Twitch lets us clip your funny moments, people do that now instead of nominating
[16:36] <encelor> awww couldn't read that in time
[16:36] <xkeysx97> No he responds to good messages comments that interests him I think plus there are too many too reply to so he just picks now and then
[16:37] <darthseverussnow> Yeah fair point xkeysx97
[16:37] <i_came_here_to_something> @xkeysx97 that's only if you play big-budget AAA Western games. There's a lot more out there than just those games. This year alone we got Persona 5, Sonic Mania, BOTW, ARMS, Splatoon 2, Mario Odyssey, Super Lucky's Tale, A Hat In Time, and a lot more.
[16:37] <thiemontime> @xkeysx97 you know that ain't too true
[16:37] <encelor> compile?
[16:37] <thatanonybear> compile LUL
[16:37] <darthradovanviking> compile
[16:37] <darthradovanviking> the twitch clips

[16:37] <paddingtonbear187> InuyoFace
[16:38] <stormrage_101> There must have been something in dark souls 3: the ringed city
[16:38] <stormrage_101> Dark souls always gives funny moments
[16:38] <thebigjeffproductions> @DarksydePhil Couldn't you just pull moments from your most-viewed Twitch clips?
[16:38] <doctorzzz> you can look in your CLIP directory on twitch tho right ?
[16:38] <kittyspank> sadly phil doesn't understand what of his is funny
[16:38] <thebigjeffproductions> Yeah
[16:38] <ricosroughnecks0> But no one is going to go to the forums. If you use discord, twitch clips or ask on twitter i think you will get better answers to funny clips
[16:38] <thatanonybear> hundreds of dsp clips a day? dayu

[16:40] <encelor> i thought phil was not gonna do funniest clips anymore
[16:40] <unquietmist> So how is the story so far?
[16:40] <ricosroughnecks0> Twitter probably be better because most people have twitter accounts. I dont think most people would sign up to phil's site.
[16:40] <xkeysx97> All those people that troll phil are just a waste of space tbh Iâ€™ve been watching him for 8 years and still too this day heâ€™s the only one I watch and that actually interest me all those other top you tubers just give me a sore head from how shitty they are thatâ€™s my opinion anyway
[16:40] <thefury1> cheer10 are you still doing reviews because you were one of the only people I liked watching reviews from on youtube?
[16:40] <sprank_n> hes not
[16:41] <thefury1> damn
[16:41] <bos2161> He's not. They get auto demonetized.
[16:41] <encelor> why phil not put on his main channel unedited?
[16:41] <thatanonybear> what a bloodbath
[16:41] <thatanonybear> NIEC
[16:41] <kovorus> game fucked me over dood
[16:41] <nikiboo32_> Woke af
[16:41] <i_came_here_to_something> I get that you like Phil and all but damn, he's not the ONLY Youtuber that puts out decent stuff. You can barely call him a Youtuber anymore b/c his priority is Twitch these days.
[16:42] <jack_spartacus> cheer15 I was in and out of the stream so I miss some of it. What do you think of the game so far?
[16:42] <ricosroughnecks0> Yeah YouTubers are people who edit and make parodies. Phil is a streamer.
[16:43] <xkeysx97> Yeah obviously thereâ€™s other decent youtubers but you know where I was coming from thereâ€™s not a lot out there than there used too be
[16:43] <encelor> hipster
[16:43] <encelor> always do something to mainstream stuff
[16:43] <kittyspank> atleast the faces are better than mass effect
[16:43] <thatanonybear> @I_Came_Here_To_Something Exactly, Game Sack does some incredible stuff on Youtube
[16:43] <xxghostbritxx> will phil play multiplayer today?
[16:43] <butter__my__bread> There's TONS of content creators i watch on YT i prefer over phil's YT stuff personally
